

The Union of Pan Asian Communities 2010 Annual Leadership and Awards Gala General Information

Who is UPAC

Founded in 1974, UPAC the Union of Pan Asian Communities (UPAC), a comprehensive health and human service organization, addresses the critical social, psychological, physical and economic needs of Asian, Pacific Islander and other ethnic communities of San Diego County. UPAC's culturally, linguistically and professionally competent staff includes physicians, psychologists, social workers, nurses, marriage, family and child counselors, substance abuse and gambling addiction counselors, and business development and health prevention education specialists. Staff, representing 29 languages and dialects, reaches over 125,000 residents through 39 programs annually. We are the counselors and advocates to open the door to heal and strengthen our communities' most vulnerable members~children and youth, families in crisis, elderly, disabled and the ill.

What is the UPAC Annual Leadership and Awards Gala?

Join us on Thursday, May 27, 2010 to honor two individuals for their efforts in Community Leadership and Contributions in Vision, Courage and Compassion. This year our theme is "Opening the Door" to Self Sufficiency. Tempt your palate with delicious Asian appetizers during the Taste of Asia reception and bid on fabulous experiences, artworks and other items at the Silent Auction, and try your luck with exciting Raffle. All proceeds will benefit the many programs and services offered by UPAC.
