

Good bye letter

09/04/15

My dearest Love,

I have put my all in to developing a relationship with you. I have given up everything I have to run with you. I have been let down by you time and time again - But I always come back to you. You've comforted me when I was sad, angry, frustrated, depressed, and so on. ~~So~~ I miss you so much I long for you. I've tried time and time again to let you go - I always take you back. I love you and wish we could be ~~free~~ together forever. I get so excited to see you after a little time has gone by and I make big plans to see you, just, one last time. Sately when I've left you to go back home I feel feelings of guilt, shame, disappointment, hurt, and unloved. I feel taken advantage of and beat down. Sately I have gone to you out of

Spite & Anger - Trying to
get back what I have
so freely given you. You
let me down, you hurt me
and take from me. I have
nothing to show for the
love I have given you -
Well I have something
you have given me - Pain
and suffering. I have given
up everything for you.
I lie, Cheat, steal for
you. I've become someone
I don't like. I've been
giving you everything - every
penny I can find. I've
given you my dignity &
Self respect. I feel I am
worthy only when you give
me money. I've ~~been~~ brought
kiss people to you. You've
~~taunted~~ taunted them with your
kiss - now they are your
willing victims. I know I'm
not ~~your only love~~ loved
by you - you taunt me

With your bright lights, festive
noises, Potential, get rich quick
Promises. But I've come to believe

That you are a big liar
a nasty wild beast who preys
on people. You take, take, take
untill everything we have
is gone. I've chose you
over food, sex, my dog,
my family, friends and myself.
I have to let you go
now I am sad to say.
it's just not working out.
I have nothing left to
give you, ~~at~~ except for
Debt and broken relationships.
It's time for me now to
move on to a new Chapter
in life. I'm sorry to say
you won't be able to come
with me. I will miss
you indeed. I need to
rebuild myself from the
destruction I have let you
do to me. It is time
to ~~start~~ repair and find
Meaningful ~~people~~ as relationships
with people. You have given
me nothing but heart ach.
Oh how I want you
in my life I quickly
remembers our fun times
and seem to quickly forget

the Abuse you've put
me through. If only I
could go back to being
an acquaintance be sure our
love affair - it would be
nice. But we've gone too
far too much damage has
been done. I can't let you
hurt me again. You hold
me back from my dreams
and I lose all ambition
when we're together. Nothing
else matters when we
are intertwined. I forget about
my worries for a time
only to have more after
being with you. You are
an abuser & a user. You
baffle me. I am in awe
over your power and control.
It is time now to take
back total control for myself.
It is time for my lies
to stop, I have caught on
to your lies and misleading
paths. I'm not going to
go any lower in the
pit of hell. I have found
some one who has a ladder
to help me get out. You

Will be missed, But it
has to end now! I love
you. And always will
That's why I must stay
away from you. You have
deceived me for the last
time. I am taking control
back of my life because
its necessary for my
survival. You will kill me -
You will kill me very slow
painfully. I must go now

Good bye!
